Strong growth in revenue in the first nine months of 2006

The Christian Dior Group reported 11% organic* revenue growth in the first nine months of 2006. At current exchange rate, revenue were also up by 11% to EUR 11,133 million.

At current exchange rate, the evolution was as follows:

(in millions of euros)	30 September 2006	30 September 2005
Christian Dior Couture	522	479
LVMH	10,626	9,598
Eliminations	<15>	<19>
TOTAL	11,133	10,058

LVMH achieved revenue of EUR 10,626 million in the first nine months of 2006, reflecting organic growth of 11% compared to the same period in 2005. LVMH continued to demonstrate strong momentum in the third quarter with double-digit organic* revenue growth, a performance which is even more noteworthy in view of its robust growth in the third quarter of 2005.

During the third quarter 2006, **Christian Dior Couture** maintained its momentum with healthy organic* growth of 10% in revenue. At current exchange rate, revenue were up by 8% to EUR 193 million. The new product lines of leather goods, launched in the last quarter, have in particular contributed to the sales for the period.

Revenue at the end of September rose to EUR 522 million, a 9% increase compared to the same period last year on either a current or constant exchange rate basis.

The **Christian Dior Group** confirms its objective of a very significant increase in its results in 2006.
